On Wednesday, 7 December 2005, Her Excellency the Governor, Mrs Marjorie Jackson-Nelson, AC,CVO, MBE and Patron of Minda, hosted a reception to thank Minda's volunteers and supporters.

Minda has a wonderful base of more than 250 volunteers who volunteer their time willingly to help wherever they can and play a vital role in the development of Minda's services. Other volunteers assist with fundraising activities which include helping out at special events such as the Family Day and selling lottery tickets.

In his thank you address at the reception, Roy Arnold, President of the Board of Minda, said *"Minda relies heavily on the generosity of South Australians. We are most grateful to Her Excellency for her hospitality and welcoming us into her home to recognise the wonderful contribution of all our volunteers and supporters in helping people with an intellectual disability lead valued and fulfilling lives."*
