

Apply First Aid Refresher

The South Australian Learning Centre offers the Apply First Aid refresher course for those who have a current Apply First Aid certificate and are due to update their skills. All participants will be required to present current statement of attainment for entry into this course.

On successful completion of this course, participants will be issued with a Statement of Attainment for the nationally recognised unit of competency from the Health Training Package HLTF301B- Apply First Aid.

The course is run over one day, 8 hours in total. To be successful in this course, participants are required to attend all 8 hours.

If your Apply First Aid certificate has expired, or you have not previously completed this course, please go to the full course.

There is an assessment component of this course where participants are required to demonstrate practical skills, role plays, case studies and a written quiz
